PHARMACY DIRECTORY

First Health[®] Part D

This booklet provides a list of First Health Part D's network pharmacies. This directory is for Arkansas. We also list pharmacies that are in our network but are outside Arkansas . Please contact First Health Part D at 1-866-865-0662, 24 hours a day, seven (7) days a week, for additional information. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about First Health Part D network pharmacies in your area, please visit our Web site at www.FirstHealthPartD.com or call our Customer Service at 1-866-865-0662, 24 hours a day, seven (7) days a week. (TTY/TDD Users should call 1-800-716-3231.)

Introduction

This booklet provides a list of First Health Part D's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and First Health Part D's formulary. If you have additional questions, please call our Customer Service at **1-866-865-0662**, 24 hours a day, seven (7) days a week. TTY/TDD Users should call 1-800-716-3231. Or, visit www.FirstHealthPartD.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by First Health Part D. In most cases, your prescriptions are covered under First Health Part D only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
